## **A Note:**

I wanted to take a few moments and write down what the men had Brian announce last Sunday. We all hated to see Carl and Joan leave, and there may have been doubts in the congregation as to what the future holds and where we go from here. I would like to reassure everyone that this congregation is here to stay and that the men have been working hard to keep this congregation going well into the future.

As Brian mentioned, the men have been meeting almost every week since Carl announced his departure. The men have decided to pursue looking for another preacher but there are many things to think about when making this decision. We have already devised a number of questions that will be asked to each candidate. These questions will help us determine what their beliefs are in regards to many issue facing the church today. As we all know, many false doctrines are prevalent in the church and we want to make sure that the person we choose is sound in doctrine.

These same questions will be passed out to every member in the near future. We would like everyone to look over the questions and try to answer them yourself. These will not be picked up or graded, but these questions should help form the basis of our faith. If you do not know how to answer a particular question, then please ask. We will then form a bible class to deal with the questions to make sure everyone knows how to answer these questions when they come up in our every day lives.

The men will next decide on the Job Description for the preacher's position. This will include the various tasks and responsibilities that this position will hold. We want to make sure that whomever we get will be clear on what their duties will be, and we also want to help fill some of the gaps in the needs of this congregation and make sure the preacher is helping us all achieve our goals.

I hope each of you will voice your questions and concerns as we go through this process. We want to make this as open and transparent as possible so that all will know what is going on. Please watch the bulletin for updates!

## **Friends and Family Day**

Next Sunday is our annual spring event. As you know, this event attracts over a hundred people each year. We will have a tent outside with barbecue and sides to eat. Each member will help provide the drinks and deserts for the meal. Dorthy Jean will meet with the women tonight to help plan for the deserts. Following lunch we will have our afternoon service.

Call all your friends and family and tell them to come! It's going to be a great day of worship and fellowship. Plan to attend!
