Richardson Mission's Newsletter

February-June 2012

First, let us express our love to all of our friends, families, and supporters who without their help we could not take the Word of God out like we have been. Usually we thank you all at the end of our reports but we want you to know how special and thankful we are to you. Please know we think of you and appreciate all that you help with!

It has been a very busy spring so let us start with February. Freed-Hardeman Lectures were for one week and we enjoyed them very much. Diane especially likes the one day Bible class workshop and gets so many ideas and inspiration from them. The Iowa Bible Bowl was exciting since the team of Tara, Sandy, Richard, and Diane won 3rd place out of 10 teams! Questions were from chapters in 2 Kings and it was very hard to keep it all straight. Our granddaughters participated who are 7 and 9 and are asked the same questions as the adults.

March Michael left for Mobile, Alabama and worked for two weeks with two different teams coming in. It is an Inner City work remodeling a church building. The teams were excellent to work with and worked hard! Many experienced people came who we've worked with many times which makes the work go fast. This minister and congregation are very committed to the work there and it was great to see how they are growing. We hope to go back again and help them out.

By the time April came Michael had done many presentations to our supporters for our work. It is important to stay in contact and to let them know we care about them. Our town congregation's Gospel Meeting was held and we had a door knocking campaign with much help from the areas around us. Five studies were set up at that time. And we enjoy as always people staying with us and the fellowship we have.

We left for Newton, IA to help door knock that area for a couple days. Then home to fly to Alaska for 3 week mission trip. Michael helped Paul the minister and our good friend update some things on the building. The bathroom was worked on, painting of the baptistery, electrical, and new

To all our visitors - Welcome!
We hope you will come back
and worship with us soon!

concrete step outside. Door knocking was done before the speaker came in. Several Bible Studies and contacts were made. Michael preached 2 Sundays and Diane taught the children's classes on Sundays and meeting nights.

Michael returned from a week long campaign in Arkansas. That was enjoyable and about 2,000 flyers were handed out. The congregation works very hard in the area and are so friendly and hospitable! We are preparing for our Costa Rica trip July 6 for two weeks. Michael will be part of the preaching and Diane will be teaching children's classes twelve times while there. Door knocking each day will be done in each of the four towns also.

So many details we would love to tell you about each trip and the wonderful Christians we meet and enjoy. Please let us know if you would like a presentation of any of our works and know more about them.

We have new mission trips in the future and looking forward to them. There is much work to do and He needs laborers. If you are interested in helping please contact us. We think of you and pray you are doing well. Join us on Facebook if you can where we put frequent updates on our lives.

In Christian Love,

Michael and Diane Richardson

Bible Riddle

Do you know the name that means "May he add?"

The first to wear it was a famous lad.
He was forced by jealousy to leave his home,
But the jealous at last to him did come.

This name in the Bible was worn by ten,
And several of these were famous men.
One for the world's greatest child is known,
Though little about him in the Bible is shown.

One believed in the Lord but would not say;
He furnished a place for the Lord to lay.
One was given an honor very great;
Named to replace one who met sad fate.

This name in the Bible you surely see,
So speak right up and tell it to me.
(last week's answer: Isaiah)

This Week's Bible Trivia:

Q - What baby won the heart of a princess by its beauty and tears?
Check back next week for the answer!

Last Week's Trivia:

Q - Which was older Moses or Aaron?
How much?
A - Aaron. Three years. Ex 7:7

Passing Through

As I wander down life's winding path with chasms on each side, I try to keep my eyes on God and with His Word abide.

I try to do the many things I know He wants me to. For on this earth I've little time 'cause I'm just a passing through.'

I know that every step I take requires his guiding hand, For danger lurks at every turn that bears the devil's brand.

And by myself, I would be lost to seek without a clue, The path to everlasting life while I am passing through.

I must remember everyday to quell my foolish pride, For all my efforts, naught would be, without Him by my side.

Just like the pilgrim on life's road I've faith in Jesus, Who will guide me in the wilderness while I am passing through.

So with bowed head, I ask my Lord, "Correct me when I stray, And give me strength to overcome temptations everyday."

Then when my life is finished and my deeds He does review, I'll know I did my very best while I was passing through.
