Update on the Preaching Position

The men have been busy the last few months seeking to find someone to fill the role of our preacher here at Bethel. The process has taken longer than we would like, but we are happy to announce that we are getting close! We have currently four applicants who are going through the interview process. Three of them, Mel Hebert, Howell Todd and Mike Wamble, have already been interviewed. Two of these you already know, but Mike is a member at Maple Hill and has asked to be considered.

We wanted to share with you what is coming up soon and what we will need you to do. Mike will be speaking to us next Sunday so everyone can get to meet him. Mel and Howell have been doing a great job the last few months filling in for us and you have all heard them speak at numerous occasions. We have at least one more applicant to interview. If the men feel he is qualified to be considered, we will have him speak before you as well. We hope you will get to know all the applicants the next few weeks and determine for yourself who you would like to be hired.

Once the applicants have spoken to us the men will pick a Sunday for all of you to vote. This vote will not be the deciding factor but instead will be used by the men to get a feel for who the congregation likes. We will then go over all the applicants and make a decision.

The person we are looking for will help to strengthen the congregation. He will be preaching for us on Sundays as well as help conduct congregational Bible studies when needed. He will play a very important role of helping us to share the gospel to the community around us as well as ministering to those here in this congregation. We are not looking for someone who will do these jobs for us, instead we are looking

(continued from page 1)...

for someone who can work side by side with us in all our efforts.

We are very excited that we are almost ready to fill the position. We hope that everyone is praying that this person will fill the role and help to strengthen all of us. As always, if you have any questions about what is going on, please do not hesitate to ask any of the men.

Frustrations of being a mother:

1. Trying to dress a kid is like trying to thread a sweing machine needle while it's still running.....dangerous!
2. Cleaning your house while kids are at home is like trying to shovel the drive way during a snowstorm.
3. There are two things a child will share willingly: diseases and a mother's age.
4. Kids brighten up the household...they never turn off the lights.

And any child will tell you that the sole purpose of having a middle name is to know when you were truly in trouble.

Fundamentals of our Faith

Enclosed this week you will find the questionnaire that we sent to all the applicants. These questions are fundamental beliefs that we should know as Christians. Many times they are questions that are asked by our friends and neighbors as we talk to them about God and we should be prepared and have ready answers for them. Please take a look at the questions and try to answer them yourself. If you find you have difficulty answering them or do not know where to find the answers in the Bible please ask someone to help you!
